## OUR MISSION

IS TO ELEVATE, EDUCATE & SUPPORT  
FEMALE ENTREPRENEURS.

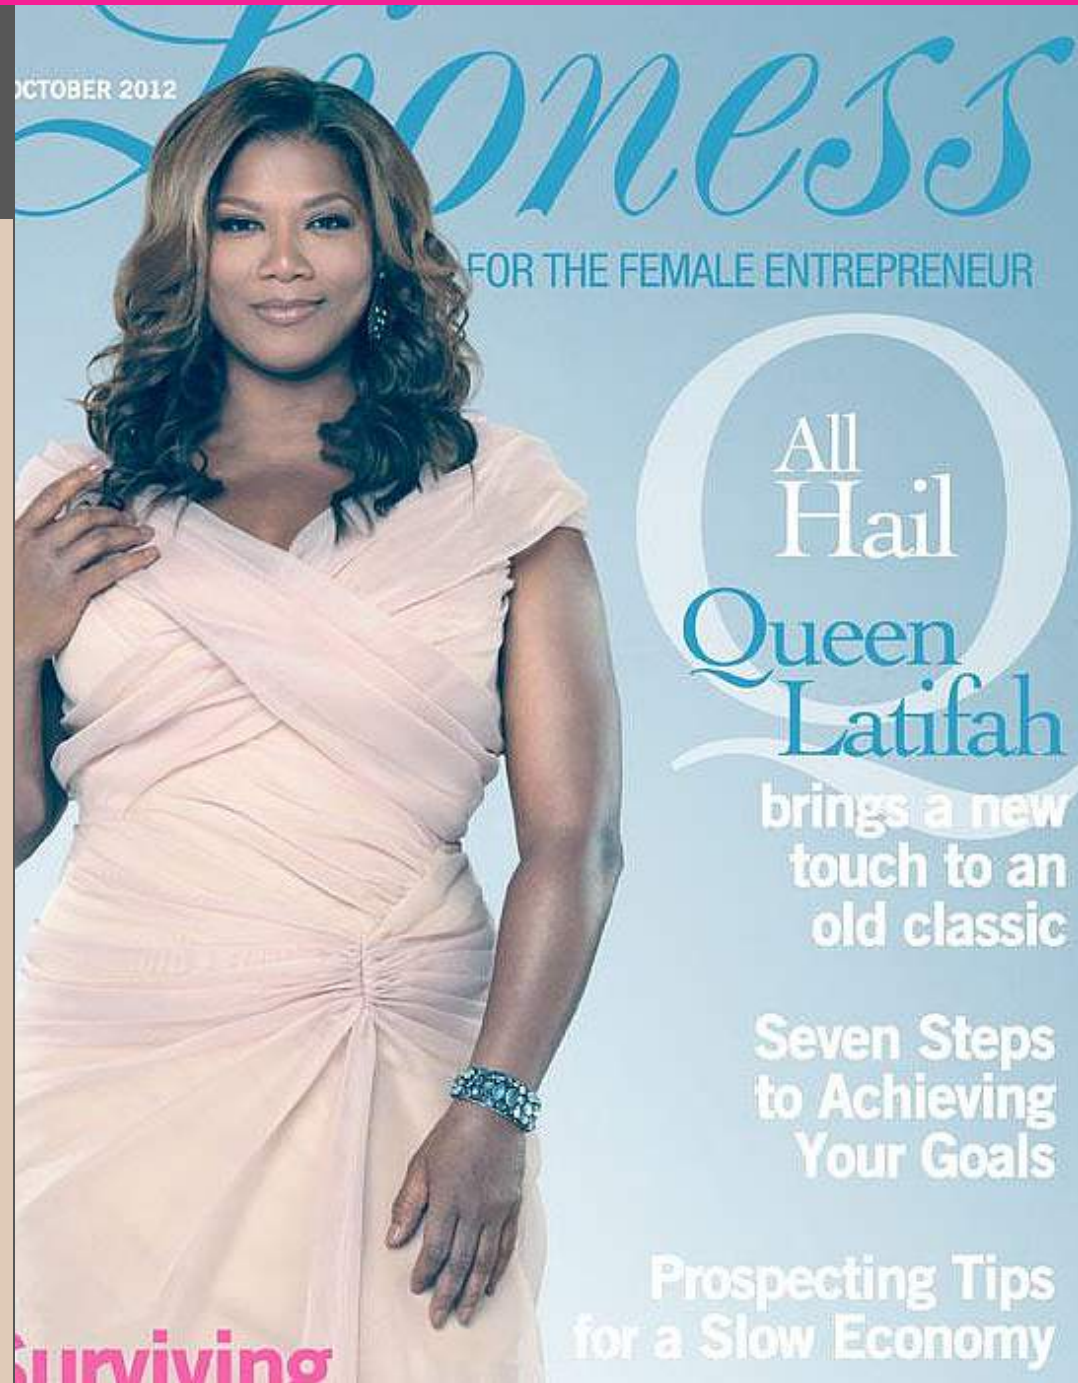

The face of entrepreneurship is changing and that is due to the rapid rise of women entrepreneurs.

In 2014, women entrepreneurs generated more than \$1.3 trillion. While other mainstream entrepreneur magazines cater to men, Lioness is the first digital media startup to solely serve women entrepreneurs globally.

## WHAT WE DO

We give women the latest news, knowledge, resources and tools to launch startups and scale enterprises.

We do this by publishing 12 digital editions per year, in addition to providing daily news at [LionessMagazine.com](http://LionessMagazine.com).

## UNLEASH THE LIONESS WITHIN

**1,288 BUSINESSES**

ARE OPENED BY WOMEN PER DAY

More than **9.1 million** firms are owned by women in the United States.

**4.2%** of all women-owned firms have revenues of \$1 million or more.

Traditionally, women receive only 2 percent of total funding from outside equity. When it comes to crowdfunding, that number rises to 20 percent.

Fewer women (16 percent) than men (21 percent) will consider selling their business to the highest bidder.

Women hold just 16.9 percent of Fortune 500 board seats, representing “no significant year-over-year uptick for the 8th straight year.”

## STORYTELLING

Lioness gives women a platform to tell their stories. Whether they are bravely sharing their personalities on our social media outlets in our **Who Are You** campaign or proudly exclaiming their stature as a **Lioness** impacting their local economy, women from Russia to India are using the Lioness platform to engage in storytelling.

I lived the first 23 years of my life without suffering a significant loss. I broke down in the grocery store last month when I saw a can of chicken soup and was reminded of my grandma. I believe a genuine, sincere compliment is worth more than any amount of money or stuff. Hockey games, a mouth-watering strawberry margarita, and a warm sunny day can always put a smile on my face. I will never be able to express how grateful I am to my parents, but I'll never stop trying. I am Amanda. Who are you?

# SIGNATURE ISSUES

## JUNE

Our annual tech issues showcases some of the best women entrepreneurs in the tech industry. Lioness also covers the latest in cool gadgets, software and electronics.

## AUGUST

August is our anniversary issue. In this celebratory edition we host our annual Who's Got Next awards. This national contest features nominees from large national accelerators including Mass Challenge and 500 Startups.

## SEPTEMBER

Coinciding with NY Fashion Week, our fall edition is dedicated to rising female entrepreneurs working in fashion - designers, stylists, retail, beauty and more.

## DECEMBER

Recapping the year of the woman, we recall the advice and knowledge shared by the more than 400 women we've featured throughout the year. We toast to the year behind us and the new one ahead.
